

# DARMANI WARRANTY PRODUCT REGISTRATION

## I HEREBY ACKNOWLEDGE THAT:

- I purchased the equipment listed on original invoice.
- I thoroughly read and understand the installation and operation manual posted on DARMANI's website or given at time of delivery.
- I read and Understand the nature and extent of the Bin Warranty, Bin workmanship warranty as well I have read and understand clearly the foundation recommendations that are required under the Steel Skids (if applicable) or the cement required (if applicable) and that all cement mount bins should be advised by an experienced concrete company and an engineer for there recommendations as soil conditions vary upon locations of placement. I further understand that there were and are no other representations or warranties, either express or implied, made by anyone.
- I read and understand the safety AND operation precautions. In the event someone other than myself will operate the equipment, I will properly train them in safe operation of the equipment as well as the entire recommended inspections that are explained in the operators manual.
- I properly mounted all operation and safety decals and will keep all shield in place.

**NOTE: Warranty registration card should be mailed within two weeks of product delivery to certify warranty coverage.**
